Communications from the President

Dear Friends in League,

I am pleased to report that we had a successful Annual Meeting on Wednesday, May 16.

As you know, the League of Women

Voters of Janesville takes positions on key public policy issues after study, debate and consensus by our membership. Each year the members of the League review their local positions at the Annual Meeting in May. This year the members voted to re-adopt of all the local positions we have taken.

Some of these positions are decades-old, so if you are not familiar with them because you are a relatively new member of League, or if you are concerned that some of our positions may need updating, you can read them in their entirety on our League's website at http://lwvjvl.org/local_positions.html. Please let the Board know if you think it is time for us to revisit any of our current positions or want to suggest a new issue that our League should study. We have one ongoing study topic--Diversity issues.

We elected a strong slate of officers and directors at the meeting. I am grateful that most of our current board mem-

bers will continue in their current or new positions, and I want to welcome our new Treasurer, Nancy Sonntag, to the Board.

The Board will hold its organizational meeting on Tuesday, June 12. If you have any suggestions for the Board, please send them to us.

I passed out a League Interest Survey to assess members' interests in being actively involved in League activities this year. I have sent a link to the survey to all League members who have email so that all League members can participate in this survey. You can go directly to the survey at <https://www.surveymonkey.com/r/99KCSGR>. Or, if you prefer to respond through US Mail, fill out the hard copy of this survey contained in this newsletter and send it to LWV-Janesville, PO Box 8064, Janesville, WI 53547-8064.

Nancy Stabb also passed out a survey to help her organize some "Back Porch" gatherings this summer so members can get to know each other better through book discussions on topics of interest to League members. You can learn more about the books and the dates for these gatherings elsewhere in this newsletter.

This will be a busy year for League, so we can really use your help. There will be several statewide and local partisan elections held in the fall. The Wisconsin primary elections will be here almost before we know it, on **Tuesday, August 14**. The Voter Services Committee will need help soon in educating

Wisconsin residents in how to register to vote.

Even if you can't commit to serve on a committee this year, you can be an active

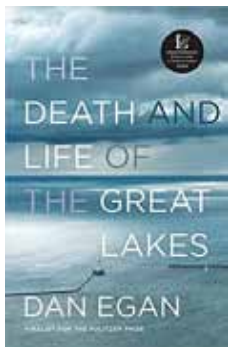

League member by encouraging people who have recently become eligible to vote, or who may have moved recently, to REGISTER AND VOTE. The state of Wisconsin has a terrific website that for voting information and online voter registration: **MyVote Wisconsin** (<https://myvote.wi.gov>).

Thank you!!
Linda
